Nominating Committee Request

Purpose: To recommend one or more CNC members for leadership positions in the Cary Newcomers Club.

Volunteers are an essential part of the Cary Newcomers Club (CNC). Members who volunteer their time and energy play an important role in making the Club successful. The Nominating Committee is looking for members who are willing to serve in a leadership position for the coming year.

All members are asked to consider how they might serve the Club. For some, it might be as an elected officer on the Executive Board or as an appointed chairperson on the General Board. For others, a chance to coordinate a Special Interest Group activity might be more to their liking. There are many opportunities for members to be involved in the continued success and operation of the Club. It's a great way to connect with fellow members, improve your social life and become more involved in your community!

Please consider volunteering.
